111GLŌ & 111GLŌ LUXE

Your Surgical Consultation:

As a 111GLō member you will be entitled to a complimentary Surgical Consultation each year to discuss your Surgical needs should you wish.

Depending on the Surgery we will match you with one of our Surgical experts, either Founder of 111 Harley St. and World-renowned Plastic Surgeon, Dr Yannis Alexandrides, famed for his pioneering Y Facelift techniques and expertise in facial surgeries, or our highly experienced Plastic Surgeon, Mr Reza Alamouti who specialises in body surgeries including all types of Breast procedures and Liposuction.

111GLŌ & 111GLŌ LUXE

Your Homecare Routine

As a 111GLō or 111GLō LUXE member your Aesthetician will work with you to create a homecare routine for your individual skin needs using our surgically inspired skincare. Members receive preferential prices with a saving of 10% off every purchase for 111GLō members and 20% for 111GLō LUXE.

Created by Dr Yannis and inspired by his patients here at 111 Harley St. to encourage the skin healing process post-surgery, the extraordinary results and subsequent demand for the original, hero product have allowed 111SKIN to expand into 6 ranges and over 60 formulations.

Loved by celebrities, beauty editors and skintellectuals alike, the brand has gained a global presence in the luxury sector through its unusual fusion of surgical knowledge, innovative ingredients and medically-inspired delivery methods

Your Complimentary Pass & Guest Pass for 111CRYO:

111CRYO/HEAT

Inspired by their restorative and engaging experience with temperature therapy, Dr. Yannis Alexandrides, and Eva Alexandridis brought the first electrically cooled cryotherapy chamber to the UK in 2016 and 111CRYO was born. Launching in Harvey Nichols, the brand quickly expanded gaining popularity.

Whole body Cryotherapy is the use of extremely low temperatures, inciting vasoconstriction leading to a vast array of physical and mental benefits. 111CRYO/HEAT stands as the longest established and first in the UK venue to pioneer gas-free cryotherapy, the safest modern way to deliver this highly effective treatment.

The benefits of this therapy are wide-reaching and include a metabolic boost, anti-inflammatory effect and an anti-aging impact thanks to the collagen and elastin due to the elevated oxygen uptake at low temperatures. Other benefits include increased energy, improved sleep quality and faster injury recovery.

111GLö members receive a complimentary pass valid for one visit to 111CRYO each year. In addition they also receive a guest pass allowing them to bring a guest of their choice along to share the Cryotherapy experience.

111GLö LUXE members receive three complimentary passes valid for visits to 111CRYO each year. In addition they also receive a guest pass allowing them to bring a guest of their choice along to share the Cryotherapy experience on each occasion.
